# MESSAGE FROM MILDURA SKI CLUB

Welcome, welcome, welcome to the iconic Mildura 100 ski race event!

The mighty Murray River comes alive again this easter. We extend a warm welcome to all competitors as well as their accompanying team members, friends and family to participate in our annual event.

As you dive into the excitement of the race and atmosphere, we encourage you to extend your stay and explore everything our region has to offer over the easter weekend and beyond, it truly is something special, maybe I am a little biased....

Now, a huge round of applause to our dedicated club members, the invaluable team of volunteers, and the local businesses without who, none of what you are seeing or experiencing would be possible. Your contributions are truly appreciated and vital to the success of our Club and this event.

I also would love to express a massive thank you to the Mildura Rural City Council for their commitment to supporting local events including ours, in our region. Special thanks go to Ryan and his team at Stefano's Cafe for graciously hosting our club officials, sponsors and event partners at the 2024 Mildura 100 launch event Thursday evening and catering the Corporate Area this year.

The club would love to take this opportunity to acknowledge the recent retirement of a couple long-serving committee members in Geoff Thomson, Gerard Op de Coul and Peter Goldsmith. These guys have dedicated years to their respective positions on the committee and we wouldn't the the club we are today without your help.

Despite the challenges posed in recent years, including COVID-19 pandemic and the Murray River flood event, our club remains resilient through the continued commitment from our committee, club members, sponsors and supporters.

We were delighted to witness another successful ski school this summer led by Sam Hedley and acknowledge Sam's continued dedication to junior development in our region, thanks Sam!

Feel free to view or download a copy of the official Mildura 100 Ski Race program, via the QR Code on any of our flyers or posters, taking note of the incredible businesses that support our event. We urge you to support our sponsors and event supporters wherever possible.

Don't forget back again this year Ultimate Helicopters! Get in on soaring above the action with breathtaking views along the Murray River.

We are all here to have fun, enjoy the time spent with family and friends, make new friends and of course... race! So on behalf of the Mildura Ski Club committee, I extend our best wishes to all officials and competitors, have an absolute ball and safe racing!

See you at the finish line.

## MESSAGE FROM OUR MAYOR

On behalf of Mildura Rural City Council, I am delighted to welcome everyone to the Mildura Ski 100 held annually over the Easter weekend.

The Mildura Ski 100 is one of the highlights of our annual events calendar and part of the popular Powersports package of events during the Easter period. Mildura Ski Club who hosts the Mildura 100 are to be congratulated for once again bringing the world's fastest ski race to our region and showcasing the best water skiers from across the country, on one of the most beautiful stretches of the Murray River.

This event is also a highlight on the ski racing calendar and is one of the longest running water ski races in Australia boasting an incredible 45 years. Thanks to the boating, skiing and water enthusiast volunteers who work tirelessly to make this event happen each year, your passion for this event is second to none.

The Mildura Ski 100 is also part of the Show-n-Shine where some of the boats are on display to be viewed by all Powersports fans. The show-n-shine alone attracts thousands to view these incredible machines.

Mildura Rural City Council is a proud and enthusiastic supporter of this annual event and together with the Mildura Ski Club, looks forward to another successful Mildura Ski 100.

Best wishes to all involved, participants, volunteers and spectators, may this year's event be safe and enjoyable for all

## MESSAGE FROM OUR MAJOR SPONSOR

Dear Members of the Ski Club, Competitors, and Supporters,

As we look forward to the Mildura 100, it's with a sense of genuine pride that Davison Motors, a business that has grown with Sunraysia since 1983, stands as the major sponsor. This event is not just a race; it's a cornerstone of our community and a highlight for regional tourism and motorsport that we all look forward to with great anticipation every year.

Wishing every driver, skier, supportive family, dedicated boat crew, and steadfast participant the very best of luck. Your hard work, unwavering determination, and courageous spirit embody the heart of this competition. As you put your best foot forward, may your efforts be met with success and your endeavours carried out in the utmost safety.

Our family business, now in its second generation, has always believed in the strength and potential of our region. We've been honoured to forge enduring relationships with local not-for-profits, sporting clubs, and community initiatives. The commitment of our team which includes over 100 locals, who are our greatest asset, continually drives us towards the prosperity of our town and the well-being of their families.

I'd like to extend my deepest gratitude to the Mildura Ski Club for their unwavering dedication to this iconic event. Your tireless efforts bring us together and spotlight our community on a grand stage, enhancing both our social fabric and our economy.

As we line the banks of the Murray River with spectators & campsites, let us share in the joy of the competition and the camaraderie that this event fosters. We're reminded that, beyond the thrill of the race, it's the safety of everyone involved that remains paramount.

To all the skiers taking on the river's challenge, we admire your courage and determination. May this year's Mildura 100 be as competitive and enthralling as ever, capturing the essence of our community spirit and the passion that fuels it.

Thank you to everyone who makes the Davison Motors Mildura 100 a reality. Here's to a safe and spectacular race weekend. Best of luck to all of the teams!

Warmest regards,

Junior Family Fun is a demonstration event for junior skiers that was started by Dani Hood from NSW to introduce new families to the sport of water ski racing. As we all know ski racing is the 'ultimate family sport' and the purpose of this demonstration is to offer an extremely cost effective way for a new family to tow their child using any boat, including their families recreational boats, and experience the excitement and enjoyment of taking part in our competition weekends.

As the 'Junior Family Fun' SRA membership is only \$10 per competitor and \$10 per boat, for \$40 maximum we can have a new family join in the demonstration event and experience our amazing sport.

The Junior Family Fun was held at all the NSW major river classics and some of their series days by Dani Hood and has recently been introduced to all the Victorian river classics with the assistance of Chelsea Stevens.

We would love to have you share this amazing demonstration opportunity with your family and friends who are not Ski Racing Australia members but would love to come and try water ski racing with their young children. Please feel free to make contact via our Facebook page, speak with Dani or Chelsea or email - juniorfamilyfun@gmail.com

We would like to thank all our Victorian Sponsors, shown on the banner, for their support with our Mildura display.

Safe racing and we cannot wait to cheer the kids in the demonstration across the line on Sunday afternoon.

**Good Luck!**

The fastest local skier award was started by the Tuohy family in 1997 in memory of Gregg and Pam's son Peter after he passed away tragically in a car accident.

Peter loved ski racing, competing for a number of years and his family have committed their time and effort to the ski club for both local major events the MD110 and the M100. Gregg and Pam devoted and volunteered their family houseboat the Annawonga as the start vessel for the Mildura 100 for approximately 30 years and the Coomealla start line for the Murray Darling 110 since its inception.

Sadly in December 2023 Gregg suddenly passed.

The ski club endeavors to continue to keep Gregg and Peter as an inaugural part of both events by continuing the Tuohy Memorial Trophy for the fastest skier at the event from our region!
